DOCUMENTS RELATING TO OSWALD'S ALLEGED LITERATURE DISTRIBUTION, 6/16/63

GENERAL MATERIAL:

* Preliminary notes on documents relating to Marty Abelow (8/12/68, P.H.)
Routine letter, 1/2/64, Commission to NASA, asking for any available relevant information, and 2 routine replies.
Letter, NASA to Commission, 2/4/64, enclosing Abelow leaflet
Front and back of Abelow leaflet.
CD 1033 (Source advised the FBI that Abelow had been showing leaflets around)
CD 1034 (Interview of Abelow. Same material repeated in CD 1204.)
Letter, Rankin to Hoover, asking FBI to check Abelow incident. Result is CE 1412.
CD 1518, p. 55. Lab examination of leaflets from N.O. Harbor Police reveals two latent fingerprints, not Oswald's.
A reference in the technical literature indicating that Abelow is in electronics or electrical engineering at Lockheed. (We have determined that he is presently employed at Lockheed - Sunnyvale.)

Total of the above : 16 pp.

RELATING TO THE ERROR IN PUBLICATION OF 'HANDS OFF CUBA' HANDBILL IN CE 1412:
Preliminary memo by P.H., dated 11/9/67, pointing out the [redacted] doctoring. (entitled ' Oswald's alleged distribution of FPCC material, June 16, 1963)
Memo with the same title, dated 11/29/67, summarizing the below-listed material from the Archives:
My letter to the Archives, dated 11/4/67
Letter from Rhoads to me, 11/24/67, 2 pp., concerning CE 1412
8 pp. of enclosures: mostly copies of this leaflet from various places. (In general the buck is passed to the GPO.)

Total in this section: 12 pp.

MEMORANDA by me relating in part to the literature distributions:
Apparent peculiarities in the FBI's reporting of Oswald's FPCC activities (2 pp., 5/7/68)
Appendix to notes of 9/24/67 concerning SA Warren C. DeBrueys

* = sent 11/18/68 (1 page only.)
Most of the 31 pages listed here were sent to N.O. earlier.
